Terms of Business

Client agreement · Document version 3 · Effective date: 1 July 2026

1. Introduction and scope

These Terms of Business (the “Terms”) govern the relationship between Iron Bridge Markets (“we”, “us”, the “Company”) and you (the “Client”) in respect of the trading services we provide. By opening an account you accept these Terms in full.

These Terms apply to all transactions in currencies, commodities, indices, equities and cryptocurrency instruments executed through our platforms.

2. Client classification

We classify clients as retail or professional in accordance with applicable regulation. Retail clients benefit from the highest level of regulatory protection, including negative balance protection on eligible accounts.

You may request re-classification in writing. Re-classification may reduce the protections available to you.

3. Services

- Execution of orders in the instruments we make available from time to time.
- Access to our web and mobile trading platforms and market data.
- Safekeeping of client funds in segregated accounts with tier-one banks.

We deal with you on an execution-only basis and do not provide investment advice.

4. Margin and liquidation

Leveraged positions require margin. If your equity falls below the maintenance margin requirement, we may close some or all of your positions without prior notice.

Margin calls are made by platform notification and email. It is your responsibility to monitor your positions at all times.

5. Costs and charges

Our costs consist of spreads, commissions where applicable, overnight financing (swap) charges and any currency conversion fees. A full schedule is available on our website.

We do not charge deposit fees. Withdrawal fees may apply for certain payment methods.

6. Client money

Client money is held in segregated client accounts, separate from Company funds, in accordance with applicable client-money rules. Client money is not used for Company operations.

7. Governing law

These Terms are governed by Swiss law. The courts of Zürich have exclusive jurisdiction, subject to mandatory consumer-protection provisions.
